# Host Family Sponsorship Form for students enrolled at UNCW or Cape Fear Community College

**Academic Year: 2015-16**

Purpose: The host family sponsorship program is designed to help students enrolled at our area colleges to find their spiritual home at St. Nicholas or St. Basil.

Needed: We need families that will keep in touch with the student they sponsor. Each student can easily be connected with a family that is active in either parish.

How do you become a host family sponsor? Fill out the form below and speak with Fr. Jon Emanuelson or Fr. Peter Robichau.

What do the host family sponsors do? Sponsors are asked to:

1. Encourage students to attend divine services at St. Nicholas and St. Basil.
2. Give rides to services if needed.
3. Keep in contact with students through email or other social media or by phone.
4. Invite students to dinner or parish events once a month.
5. Listen to the students as they strive to excel in college.

College is a great time in the life of a young adult. With their Orthodox Faith and a wonderful spiritual family here in Wilmington, college can become a time spiritual growth and blessings.
