Reading the Bible in a Year

This small pamphlet is designed to help Orthodox Christians read the Scriptures in a disciplined manner throughout the ecclesiastical year. The pages that follow include reading through the psalms, proverbs, Old Testament and New Testament in the Orthodox Study Bible. There are prayers for before and after the reading of Scripture on the last page. The reader should always read the daily Liturgical readings, but this is given so anyone can become more familiar with the Bible. God bless you always, Fr. Jon Emanuelson
