THOMAS & ELIZABETH: MISSIONARIES TO GUATEMALA

Missions Presentation: Sunday, June 3

Thomas and Elizabeth Manuel are excited to announce that they will be serving as long-term missionaries for the Orthodox Church in Guatemala. God willing this September, they will serve as teachers and witnesses to the Mayan people, encouraging and modeling life of faithful Orthodox, while assisting in the development of the mission in Guatemala. They have been drawn to serve in Guatemala based on past experiences in the country and are overjoyed to have the opportunity to return and to serve. Over the past ten years there has been an explosion of Orthodox Christianity in Guatemala. At the moment there are over one hundred villages of Orthodox Christians being served by five clergy and a small team of missionaries. Find out more about the work being done in the Orthodox Church in Guatemala visit the website, www.mayanorthodoxy.com.
